NISMO-TUNED VR30DDTT ENGINE

The Z NISMO features a maximum power of 420ps and a maximum torque output of 520Nm. But NISMO engineers go beyond chasing numbers, creating a quicker response, and maintaining a linear power flow with a thrilling rush to the redline.

THRILLING TRANSMISSION

A NISMO-tuned 9-speed automatic transmission features a quicker shift response and enhanced cooling.

CHASSIS AND SUSPENSION

The Z NISMO boasts a precisely engineered suspension system featuring exclusive NISMO components. High-rigidity suspension bushes enhance steering precision and lateral stability, while larger dampers with optimized springs and stabilizers deliver exceptional control and responsiveness. The rear suspension is further enhanced with rebound springs for superior performance.
